## Press Release

*FOR IMMEDIATE RELEASE*

### FAUS GROUP, INC. CERTIFIES 10,000 FROM MASTER CRAFTSMAN PROGRAM

Calhoun, GA – Faus Group, Inc. (“Faus”) Technical Services is proud to announce they have graduated their 10,000<sup>th</sup> student from their Certified Master Craftsman program in a class held the last week of April.

The National Laminate Training Center (NLTC), located at Faus’ North American headquarters in Calhoun, is dedicated to offering laminate flooring installers the highest quality training and support to become the best in the industry.

Once certified, installers have the skills necessary for the most intricate installations and difficult repairs. And Faus guarantees their workmanship for life.

The Faus Technical Team supports the sales and marketing effort by providing installation training to thousands of people each year. Providing state of the art installation training is consistent with Faus’ leadership in design and technology innovation.

Faus Group, Inc. is a global leader in design and technology innovation. Faus manufactures products designed to meet consumer demands for laminate flooring and moldings of the highest level. Always a step ahead, Faus brings advanced expertise to the laminate floor industry by offering patented products and features that take laminate flooring to the next level.
