

Always the leader in design and technology innovation.™

## Press Release

*FOR IMMEDIATE RELEASE*

January 13, 2007

Hannover, Germany – Faus Group announces today that Unilin has requested the court to remove the Faus laminate flooring products from their booth at the Domotex exhibition in Hannover, Germany.

Faus will respond against Unilin in the German courts appropriately. Faus is confident that once all the facts are revealed, we will show that this action today was not only inappropriate but a cowardly act. Faus regrets that the world will not be able to see our new innovations here in Germany today but we promise that Unilin cannot permanently prevent Faus from showing the best innovative products to the world. Faus will be proud to show all of today's innovations and more at the BAU exhibition in Munich (January 15<sup>th</sup>-19<sup>th</sup>), Swissbau in Basel (January 23<sup>rd</sup>-27<sup>th</sup>) and Surfaces in Las Vegas coming February.

Faus believes that today's action by Unilin was not a prudent one by Unilin.

Faus is a global leader in design and technology innovation, manufacturing products designed to meet customer demands for laminate flooring and moldings of the highest level. Always a step ahead in innovation, Faus brings advanced expertise to the laminate floor industry by offering highest quality products and features that take laminate flooring to the next level.
